A new class of leaders *deserves a proper welcome.*

2026 was a record-breaking year for Black elected officials across the country. On November 3, voters elected more Black governors in a single day than in all of U.S. history before it. Alongside them, a new class of Black state legislators is preparing to take the oath of office, ready to carry the hopes of their communities into statehouses from coast to coast.

On Thursday, December 10, 2026, we will gather at F1® Arcade Philadelphia to celebrate these newly elected leaders, welcome them into a national network of colleagues, and connect them with the partners who will help them succeed. The reception takes place during the week of the National Black Caucus of State Legislators' 50th Annual Legislative Conference, when Black lawmakers from across the country convene in Philadelphia.

BEBASHI – Transition to Hope, a nonprofit in Philadelphia that empowers people by providing access to high-quality health care and social services, and I are inviting your organization to stand with us as a sponsor. Your support makes this evening possible and sends a clear message to a new generation of lawmakers: you are seen, you are supported, and you do not serve alone.
